

Pet Waiver & Release of Liability

Welcome to The Cabins at Historic Columbine where we understand the relationships our guests have with their pets. The following guidelines have been created for the well-being of your pet and the convenience and consideration of our other guests and staff. Our team hopes you and your pet are comfortable during your stay and thank you for your cooperation.

We ask that the following measures be observed in the interests of your pet, our employees, guests, and visitors while you are here:

- Pets are NOT allowed in the following areas: the Lodge (*including the bathrooms*), the General Store, or the commercial kitchen building.
- Pets shall be ***under your direct control and supervision*** when outdoors. If your pet is at risk of not being social with other guests or pets on our property, we ask that you keep your pet on a leash.
- Do not leave your uncrated pet unattended in the cabin. In addition, do not leave your crated pet unattended UNLESS you are certain it will not cause a disturbance to others.
- We do not have designated pet walk areas, so please be courteous and clean up after your pet. Use “doggie doo” cans located around the property.
- Please use the provided dog blankets to protect the cabin furniture and bedding. It is preferred that your pet remain off the bedding and furniture; be advised that we charge for cleaning and removal of excess dog hair.

I agree as follows:

- To pay any and all additional cleaning and/or repair costs necessitated by my pet's stay, should they be required. I authorize The Cabins at Historic Columbine to charge my credit card for the necessitated cleaning and/or repair costs, even if they are discovered following my departure.
- That, in the event that my pet causes a disturbance; I will make arrangements to house my pet elsewhere. A list of kennels will be provided. I also agree that I will be liable for any rebates given to other guests should my pet be deemed to have caused a disturbance by our management team.
